CLIFF NOTES

- ✓ **PEDIGREE:** She is a half to G1W and six-time GSW Ring Weekend. 2nd dam G2W Pompoes was a strong producer with progeny including MG2W Forest Wind, SW and MGSP Three Generations, and G3P Flash Of Joy. By top California sire Unusual Heat who has produced 43 Stakes Winners, this filly has nice residual to fall back on for her buyer.
- ✓ **STRONG COMPETITION:** She has run against older horses in Cal-bred allowance races at Del Mar and Santa Anita in her last two starts and hit the board in both
- ✓ **OBVIOUS CHOICE:** The betting public has sent her off at less than 5-1 in every race but her debut at two.
- ✓ **VERSATILE:** She hit the board at 6 ½ furlongs on dirt and won going 1 mile on turf off of 13 days rest. She shows speed from the gate but has shown the ability to sit off horses as well.
