RACE RECORD

Stallion Heiress broke her maiden first time out at 2 at Fair Grounds in December of 2016. She then strung together **back-to-back Stakes wins** to kick off her 3-year-old campaign. She has shown both promise and **versatility**, winning from **5 ½ furlongs** to **1 ⅞ miles**.

Stallion Heiress made two more starts in 2017, both in Stakes company. In the G3 Edgewood, although listed as good turf, it had been raining all day and Stallion Heiress did not take to it. She then shipped to Woodbine and made her first start on the polytrack where she was on the rail and hated the kickback as well as the extreme heat on the day.

Following these two races, Stallion Heiress was sent to the farm where she was discovered to have minor bone bruising. She never had a surgery, but they did give her several months to fully recover.

2018

Stallion Heiress came back strong from the layoff and kicked off 2018 with a solid effort in the 5 ½ furlong Nelson Menard Memorial Stakes at Fair Grounds. That race was a tune up for what is her best race to date in the Plenty of Grace Stakes at Aqueduct. Leading the field and setting solid fractions, she was just run down by **G2W UNI (GB)** and **G3W FIFTY FIVE** who had a perfect target to run at in the stretch. While the top two finishers were closing fast, Stallion Heiress **dug in and stayed** for the last 1/16th of a mile, narrowly being nosed out for 2nd. The eventual winner, UNI (GB), headed to the **G1 Gamely** as the **favorite** for her next out.

RACE RECORD

2018

After an exhausting performance in the G3 Gallorette on the softest turf all year at Pimlico on Preakness Day, Stallion Heiress returned in the Miss Liberty Stakes at Monmouth. Entrenched in a duel with **SW TEAM OF TEAMS** down on the rail, Stallion Heiress was eventually outkicked by **MSW/G2P PARTY BOAT** and **LIFT UP** who exploded into another gear down the center of the track in a huge performance to win.

POSSIBLE RACING SCHEDULE

Stallion Heiress is versatile anywhere from 5 ½ furlongs to 1 1/16 miles, however it seems that the firm turf going a mile is what she most desires. A possible Stakes schedule for older mares on the turf is listed below. We feel the turf racing in California (firm turf) would fit her very well as well as at Woodbine because she is an Ontario-bred:

PEDIGREE

Stallion Heiress is just the second foal out of the **G3 placed** Smart Strike mare **Mendocino Beano** who has also produced the Stakes placed **Conquest Fleetfeet** from her first two foals. Stallion Heiress is a daughter of Exchange Rate, who has a good record as a sire of fillies with 5 of his 6 G1W's being fillies. These G1 winners include **SUNSET GLOW**, **BALL DANCING** and **ERMINE** as well as the dual G1 winning 2 year-old colt **RECKLESS ABANDON** in Europe.

Stallion Heiress's dam, Mendocino Beano, has a 2 year-old Broken Vow colt on the ground, as well as a **Broken Vow** yearling and **Hard Spun** foal.

LOOKING AHEAD

Stallion Heiress is the kind of filly that when placed on a firm turf course **continues** to put up Stakes caliber numbers and results at ages 2, 3, and 4. Her 3rd place finish in the Plenty of Grace at Aqueduct to two very talented **fillies proves** she belongs in Stakes company and with a little progression, can become a Graded Stakes winner.
