MISSISSIPPI
PIONEER OF THE NILE X KATZ ME IF YOU CAN (STORM CAT)

Selling Monday, July 9th

BARN 10

Cycling Back to Form: After running **3rd in the G1 Florida Derby**, Mississippi was sent to the clinic for a case of minor colic. He never had surgery but was given a week in the clinic to recover. Quickly returning to the work tab, his first start back was in the slop where he never figured in the race and can be considered a throw away. In his most recent start (went off as 1-2 favorite), he cycled back into form and was beat by Mr. Freeze who looks to be one of the favorites in the Iowa Derby on July 6.

Conditions Remaining: Mississippi has run the Thoro-Graph and Ragozin numbers to win his Allowance N1X anywhere in the country and has been breezing consistently since his last start.

LOOKING AHEAD

Mississippi was a \$700,000 2 year-old by leading sire Pioneer of the Nile that showed tremendous potential at 2 and early in his 3 year-old year. He has had several setbacks as of late but with some time, we believe he is ready to regain his form.
