## RACE CAREER OVERVIEW

After **breaking her maiden first time out** at 2 in France, Elysea's World came to America where she has **consistently performed at the top level** of turf racing for three years. Since her arrival, she is a **multiple Graded Stakes winner** that has **competed in 16 Graded Stakes races** and has **hit the board in 11 of them**. She has **won races at the top tracks in the country** including Belmont and Gulfstream Park and has beaten some very talented turf fillies along the way.

Elysea's World's consistency at the top level was extremely apparent in 2018. She is a **3-time G3 winner** as well as **G2 placed this year** from only 6 starts. More impressively, she **earned back-to-back G1 caliber Thoro-Graph numbers** indicating that she has shown she is capable of winning at the highest level.

## SPEED FIGURES

Elysea's World turned in **back to back G3 wins** this summer, annexing the G3 **WinStar Matchmaker** and then the G3 **Violet**. These were two **visually impressive performances** but the Thoro-Graph numbers she was awarded were even more impressive. Elysea's World earned a **( 2 ) Thoro-Graph for both of her G3 wins**, which are very fast numbers. In fact, a **( 2 ) Thoro-Graph places her in G1 winning company**:

### WUHEIDA

Won 2017 G1 BC F&M Turf  
with a 4 ½

### DACITA

Won 2017 G1 Beverly D  
with a 3

### LADY ELI

Won 2017 G1 Gamely at SA  
with a 2 ½

### SISTERCHARLIE

Won 2018 G1 Jenny Wiley  
at Keeneland with a 2 ½

### A RAVING BEAUTY

Won the 2018 G1 Just A Game  
with a 2 ¾

### FOURSTAR CROOK

Won the 2018 Flower Bowl  
with a 2

This accomplished mare sports an **intriguing pedigree**. Her **European influence is clear** through two generations, but she also **traces to a strong American dirt family**.

Elysea's World is by **Champs Elysees (GB)**, a product of the esteemed **Juddmonte breeding operation** and one of the better-bred stallions on the planet, being by **Danehill out of the great Hasili (Ire)**. He's thus a **half to Dansilli (GB)**, among others. Champs Elysees (GB) has **sired this year's G1 1000 Guineas winner Billesdon Brook (GB)**, the **G1 Royal Ascot Gold Cup winner Trip To Paris (Ire)**, and the **G1 Australian Cup winner Harlem (GB)**, as well as the **dual group winner and Irish Oaks runner-up Jack Naylor (GB)**. The U.S. graded winner Suffused (GB) is another of his offspring.

Elysea's World is from a Singpiel (Ire) daughter of the Del Mar stakes winner and Grade II performer Live Your Dreams. She, in turn, is a  $\frac{3}{4}$ -sister in blood to Housebuster, the **dual Champion Sprinter in America**.

This points to another intriguing aspect of Elysea's World pedigree: an enviable **mix of speed and stamina**. Her grandsire Danehill was a superb source of sprinter/milers, but Champs Elysees (GB) was a confirmed stayer. Her damsire Singpiel (Ire) won the G1 Dubai World Cup at 10 furlongs on dirt, but she hails from the family of a Hall of Fame sprinter. That Elysea's World has **won from 7 to 9 furlongs**, then, is no surprise, and this **flexibility** should suit her well when she's ultimately retired to the breeding shed.

## SUMMARY

**3xG3W/3xG2P Elysea's World** is a **model of consistency** hitting the board in **14 of 22 starts** at the top level of turf racing in America to **earn over \$566,000**. She has remained a sound and durable racehorse that has turned in some of the **best performances on Thoro-Graph for a turf filly in 2018**. Not only is she consistent but she is also **versatile**, winning from 7 to 9 furlongs to show both the **speed and stamina**. This blend of talents undoubtedly stems from her European influenced pedigree that traces back to a strong family of American dirt sprinters.
