## O/O MARYFIELD: CHAMPION FEMALE SPRINTER

Not Now Carolyn's dam, **MARYFIELD** transferred to Trainer Doug O'Neill in California in her 5yo year and became a Stakes winner at Santa Anita shortly thereafter. After that win, she would go on to **compete exclusively at the Stakes level or better for her next 16 starts** culminating in **Champion honors** in her 6-year-old season.

Over her 5- and 6-year-old seasons, she **hit the board in 9** (5 wins) of her 16 runs while **earning over \$1.3 million** and capped off 2007 by winning the **G1 Ballerina** in Saratoga and the **Breeders' Cup Filly and Mare Sprint** to be awarded **2007 Champion Female Sprinter**.

**Hail Mary!** The **Elusive Quality** mare **Maryfield** caps a great year for her sire (remember Camarilla in Australia, and Raven's Pass in Europe?) with a dramatic late dash in the Breeders' Cup Filly & Mare Sprint.

Upon retirement, Maryfield sold for **\$1.25 million** at the **Fasig-Tipton November Sale** has been bred to the **top stallions** in America year after year. Her ability to produce athletic stock is evidenced by their sale prices (**\$480,000 average**) which includes a sale topping **\$1.2 million** yearling colt by **A.P. Indy** sold at the Fasig-Tipton Saratoga Select Sale '10 to **Besilu Stables** and a 2yo colt by **War Front** sold at the OBS March Sale '16 for **\$675,000** to **Solis/Litt**.

**G2P RADIO SILENCE**, the \$675k 2yo purchase, campaigned in partnership between LNJ Foxwoods and legendary trainer Jim Bolger, was 2nd in the G2 EBF Futurity Stakes at the Curragh, **beaten by four-time G1W and Coolmore sire CHURCHILL (Galileo)**. Additionally, Maryfield has some exciting produce that have yet to race and she is still being bred to the top stallions in America:

### LOOKING AHEAD

NOT NOW CAROLYN is an exciting broodmare prospect by the perennial leading sire **TAPIT**, out of the **G1W Champion Sprinter MARYFIELD**. Based with trainer Keith Desormeaux in California, she broke her maiden against Maiden Special Weight company and won her her Allowance-N1X condition at **Santa Anita** to earn just shy of \$100,000.

At the age of 5, NOT NOW CAROLYN presents a prime opportunity for breeders to tap into a huge pedigree that looks to only improve with time with younger siblings by **WAR FRONT, CURLIN, CANDY RIDE, SPEIGHTSTOWN** and **INTO MISCHIEF** in the pipeline.
