Breaking outward, Santa Monica rushed up from the start to take a **forward position**. She remained covered up down on the rail, stalking the moderate fractions of the pace setter throughout with G2W/G1P Proctor's Ledge immediately to her outside. As the field turned for home, Santa Monica was **never able to get outside horses**- where she runs best- but still made a bid up the rail to be 3rd beaten a ½ length. She earned a **98 Beyer** for this effort and remains **100% in the money in her 5 North American starts** to close this season as a **G2 Winner/G1 Placed**.

Santa Monica turned in two huge performances leading up to the G2 Dance Smartly and used the race as her coming out party in front of this star-studded field. Santa Monica stalked the field, traveling in the back of the pack throughout. Entering the stretch, she went **6 wide** to storm down the middle of the track. Inside the 1/16th pole, Santa Monica used her **lightening turn of foot** to win with ease despite having one of the **widest trips of all**. In this win, she took down multiple **SW/G2P INFLEXIBILITY, G1W DREAM DANCING, MG2W STARSHIP JUBILEE, G2W/G1P HOLY HELENA** and **MG2P BLETCHLEY**.

"She put me into a good position. When I guided her into the clear, she exploded. She's a filly that will go way longer than this. A mile and three-eighths or a mile and a half should be very nice for her."

- Jose Ortiz

Santa Monica has raced 4 times in North America and has never finished off the board. In 2018, she earned a career-best 100 Beyer, 6 ¾ Ragozin and 5 Thoro-Graph to rank among the top female turf horses in the U.S.

This race was ridden perfectly by the winners, Manny Franco and **G2W/G1P Lady Montdore**, who set a glacial pace and went wire to wire. DRF's Michael Hammersly described Lady Montdore's trip as *"She went right to the lead...while getting away with murder up front, setting a dawdling pace."*

Santa Monica ran **37 feet (approx. 3.7 lengths) further than the winner and was only beat 2 ¼ lengths**. This was a big effort by Santa Monica given the pace scenario and showed that she did not take a step backward in defeat. DRF's Mike Watchmaker agreed:

In her second US start, Santa Monica stepped into Graded Stakes company for the first time in America and ran a huge race to just get beat. She encountered **heavy traffic** down the stretch and was **unable to get a clear run**. Nonetheless, she made a very brave move in between horses and was just **nosed for 2nd, beaten ½ a length** by **MG2W HOLY HELENA**.

Santa Monica made her US debut against Allowance company at Keeneland. Unhurried early, she made a bid nearing the quarter pole, fanning out into the eight path to blow past the leaders with ease, drawing away by 4 lengths. This race suited her running style perfectly as she was allowed to settle at the back of the pack before utilizing her **explosive turn of foot** to fly down the lane outside horses.

EUROPEAN FORM

While SANTA MONICA truly excelled in North America, she was also a consistent and impressive performer overseas competing **16 times in Group/Stakes company** to be a **G3 winner/multiple Group Placed**.

18-Jun-17 Cork (IRE)- **Won** the **G3 Munster Oaks** with **104 Timeform**
