## RACE CAREER OVERVIEW

Silver Step (FR) is a **G3 winner** who has competed in **Graded Stakes/Stakes company in 5 different countries**. She started her racing career in one of the toughest jurisdictions in Europe- **France** 🇫🇷 and broke her maiden on debut at the **premier meet Chantilly**.

Silver Step built upon her early talent to have a very impressive 3-year-old campaign. She scored her second victory against Allowance company at Saint Cloud (FR) and earned a solid 95 Timeform rating for this win. In her next out, she improved once again and capped off her sophomore season with a win in the G3 Premio Elena E Sergio Cumani.

Traveling at the back of the pack through the early going, she edged closer to the front runners in the stretch. She was forced to split horses but lunged late and put a neck in front on the wire. She received a 106 Timeform for her win which is a very good rating for a 3-year-old filly.

After her G3 win, Silver Step shipped south to **Meydan (UAE)** in January where she competed in **back to back G2 Stakes**. She closed well in each and earned **Timeform ratings of 109 and 107**, just missing the winner by 1 ½ lengths and 2 ¼ lengths respectively.

Turning in a very game performance in this competitive G2, Silver Step **traveled wider** than any of the top 4 finishers and was only beaten 1 1/2 lengths by **MG2W Very Special, MGSW Opal Tiara** and **G3W Muffri'Ha**.

From Dubai, she was then shipped to **Newmarket (GB)** for two more Graded events until finally returning to France after almost 12 months on the road. In her first start back on home soil, Silver Step added another Black Type win to her resume- this time over **1 ¼ mile**.

### July 23, 2017 - Prix de la Pepiniere (Listed Stake) at Maisons-Laffitte

1st by a neck, 109 Timeform

Silver Step was given a perfectly timed ride and handled the good-soft going very well to win this Stakes race. Traveling in the back of the pack, Silver Step was forced to wait until the closing strides to unleash her strong turn of foot. Laying a neck down in front on the wire, she earned a big 109 Timeform rating for the win while in the process beating **MG1W A Raving Beauty, MG3W Maimara, MSW/G3P Meliora** and **SW La Dynamite**.
