PAST PERFORMANCES

AMANDREA comes into the sale with **ALL conditions remaining**. She's been **extremely consistent** posting three consecutive 3rds against **top-class MSW company at Gulfstream**. With her last maiden race getting rained off the turf, her connections thought highly enough of her to **take at gamble at the Stakes level as a maiden** where she just missed earning Black Type.

AMANDREA

PAYNTER X COURAGEOUS JULIE, BY PIONEER OF THE NILE

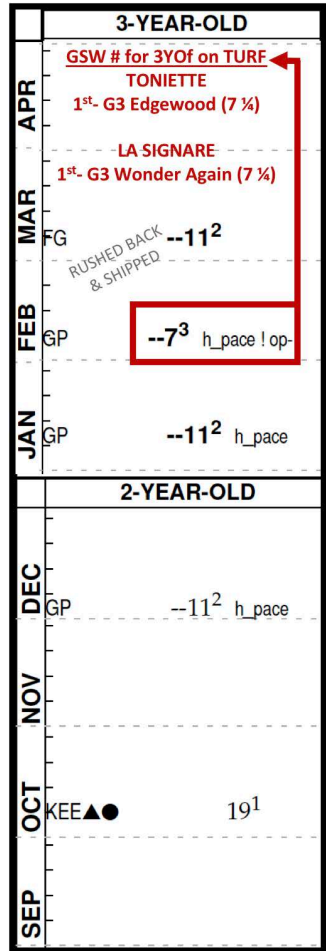

Selling Tuesday, April 9

## THORO-GRAPH

AMANDREA ran both her **lifetime-best 80 Beyer and 7 ¾ Thoro-Graph** 2-starts back. Beaten by the heavily favored Chad Brown-trainee/Juddmonte-owned CLAUSE, Amandrea **closed well** just beaten shy of 2 lengths for it all. If she runs back to this level, she'd be able to easily break her maiden and progress at any major track across the country.

Her **7 ¾ Thoro-Graph** is a very competitive number for 3YO fillies going long on the turf. In 2018, **TOINETTE** won the **G3 Edgewood** on Kentucky Derby day with a **7 ¾ Thoro-Graph** and **LA SIGNARE** won the **G3 Wonder Again** with a **7 ¾ Thoro-Graph**.

## FUTURE RACE OPTIONS

AMANDREA is **knocking on the door of her maiden win**. Spring condition books are out and the below seem to be great possible starts to get her started for any new connections.
