UNDERESTIMATE

BROKEN VOW X HARD HAT, BY HARD SPUN

Selling Tuesday, April 9

HIP  
62  
BARN 44

UNDERESTIMATE improved 6 points from her 1<sup>st</sup> to 2<sup>nd</sup> starts despite coming into the race off of a 6 month layoff. She **improved again, kicking off her 4YO season** with a MSW win (12) and **ran back to that level** in her next out just 3 weeks later.

► THORO-GRAPH

UNDERESTIMATE handily broke her maiden in her first start of 2019 with a 6 ¾ Thoro-Graph going **2-turns on the dirt**. Another forward progression puts her in prime contention to win the N1X at any track this spring while also being competitive in Stakes company and beyond.

PEDIGREE NOTES

UNDERESTIMATE is out of a **Hard Spun mare** with 100% winners from starters. **Both siblings to race have earned 6-figures** with the first foal from the family, **HONEY JADE**, earning close to \$600K in Japan 🇯🇵 .
