WHY IS HE HERE?

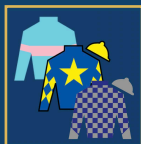

BLOOD MOON is owned by the stallion making group of SF Bloodstock, Starlight Racing, Madaket Stables, Fred Hertrich, John Fielding and Golconda Stables. This group purchased 24 yearling colts with stallion pedigrees during the 2018 yearling season with the goal to produce a G1 winning 2-year-old/stallion prospect. G1W and Breeders' Cup Juvenile participant EIGHT RINGS came out of this group and as his breeding rights have been sold, the venture will now reposition the rest of the group which will undoubtedly include future Graded Stakes winners.

These 2-year-olds that are offered by this group are lightly raced horses who are standout physicals with stallion quality pedigrees representing plenty of blue sky ahead.

THORO-GRAPH

BLOOD MOON earned a **(9¹) Thoro-Graph** in his best start to date where he finished a strong 2nd, beaten only a half-length, in a **MdSpWt going 2-turns at Keeneland**. This is a solid figure for a 2-year-old colt as Breeders' Cup participant STORM THE COURT **also earned a 9 in his debut**.

LOOKING AHEAD
