PAST PERFORMANCES

FAVORABLE OUTCOME has shown throughout his career that he has what it takes to compete with **some of the best of his generation**. It began with a six-length demolition in his debut at Saratoga ([Replay](#)) when becoming a **TDN 'Rising Star'** and carried over into his three-year-old year with a win in the **G2 Swale** ([Replay](#)) and a **3rd place finish in the G1 Malibu behind City of Light** ([Replay](#)) with a career best **104 Beyer Speed Figure** sandwiched in between.

When last seen, FAVORABLE OUTCOME showed us a new dimension, winning gate to wire over a mile at Belmont Park, showing the ability to **get eight panels** ([Replay](#)), while **clocking a faster time than G1W Patternrecognition did when winning the G2 Kelso later that same day**.
