PAST PERFORMANCES

Frontier Market appears to be improving with age, evidenced by his **unlucky 2nd place finish last out** in his first stakes attempt in the **G3 Baltimore/Washington International Turf Cup (Replay)** where he flew from last to just miss. The winner of this race **earned a new course record** and **Frontier Market was ahead one step after the wire**. That race came on the heels of an **allowance victory at Saratoga** on Travers day (Replay) and a 2nd place finish to the graded stakes caliber Emaraaty in his first start off the bench (Replay).

SUMMARY

Frontier Market gives buyers an opportunity to buy a turf miler on the rise. Through October 29, 2019, **8 of this year's 18 graded stakes for older males have been won by horses 6 or older**, so when assessing Frontier Market's ability to go on, remember what older turf horses have been able to accomplish this year.
