RACE CAREER OVERVIEW

LIPSTICK CITY is a **proven performer** on the turf with **untapped potential** on the dirt. She showed **early speed** and talent to **win on debut** at 2 at **Belmont** in 2016 and is now a **3-time Stakes Winner** on both Turf and Dirt, currently running her best speed figures as a 4-year-old. In September, she romped to victory in her first start on dirt to earn a **Graded Stakes winning** caliber **2 ½ Thoro-Graph**.

2016

Breaking last of all, LIPSTICK CITY trailed the field early settling about 20 lengths off of the pace while the leaders set swift fractions. She progressively made up ground around the far turn but was still 10 lengths behind the leaders at the top of the stretch when she came storming up the center of the stretch weaving through horses to lunge late and put a neck in front on the wire. In this win, she defeated future **MSW/G2P Compelled** and earned a **12t^ on Thoro-Manager-** a **Graded Stakes winning number** for 2yo turf fillies (G1W Rushing Fall won the G3 Jessamine with a 12t^ Thoro-Manager).

2017

In her 3-year-old year, LIPSTICK CITY strung together a strong campaign overcoming several troubled trips where she was forced to steady and break momentum. Leading in to her win in the Boiling Springs Stakes, Lipstick City ran a close second against Allowance company at Monmouth, only beaten a half-length.

JULY 15, 2017- \$75,000 BOILING SPRINGS STAKES AT MONMOUTH

1st by 2 ½ lengths, 79 Beyer, 6 ¾ Thoro-Graph

LIPSTICK CITY raced off of the pace between rivals throughout the 1 1/16th test to save ground. She patiently waited until mid-stretch where jockey Nik Juarez angled her outside at the quarter pole and gave her the cue. She closed willingly to draw away and earned a **VERY strong 79 Beyer** Figure for this effort and **6 ¾ Thoro-Graph** to win.

2017 cont.

A **6 ¾ Thoro-Graph** is a **very strong** figure for **3-year-old fillies going 2-turns on the turf**. Other Stakes/Graded Stakes winners who have run 6 Thoro-Graphs include...

G2W/G1P UNI (GB)

2018

After an 8-month layoff, LIPSTICK CITY relocated to South Florida under the conditioning of David Fawkes. While obviously needing a race to get back to peak fitness after her layoff, she quickly progressed back to Stakes company.

MAY 31, 2018 - \$75,000 CHRISTMAS PAST STAKES AT GULFSTREAM

In her typical running style, LIPSTICK CITY bided her time at the back at the pack and rated kindly as the leaders went :46.2 for the opening half, waiting patiently for the rail to open up as they rounded into the stretch. Once inside the final furlong, LIPSTICK CITY kicked clear of the frontrunners to win by 3 ¼ lengths.

LIPSTICK CITY got her first opportunity to race over the dirt- in her 12th lifetime start- when the Wasted Tears Stakes was rained off the turf. Carrying top-weight against a field of 7, LIPSTICK CITY settled mid-pack and started a long drive around the far turn under steady urging from Nik Juarez. In the words of Gulfstream announcer Pete Aiello, *"LIPSTICK CITY just ran right by Spanish Harlem. And it's LIPSTICK CITY to the front!"* She displayed a powerful turn of foot to rapidly accelerate by her rivals and earned a **VERY strong 2 ½ Thoro-Graph** for her effort.

2018 cont.

A **2 ½ Thoro-Graph** is a **Graded Stakes** winning number for 4-year-olds and up going long on the dirt. Filly and mare dirt routers who have earned a **2 ½ Thoro-Graph** in **Stakes/Graded Stakes** company include...

In her last start in the Monroe Stakes at Gulfstream Park, LIPSTICK CITY was forced to **check sharply** as noted by the **Equibase chart** breaking her momentum and costing her positioning in the two-turn test. She was then forced wide throughout, running an eventual 29 feet wider than the winner.

PEDIGREE

Lipstick City is by the late City Zip and is from an important female family. City Zip rose from modest beginnings to be a top sire...and a particularly **potent source of Breeders' Cup winners**. He sired **six champions**, including the Eclipse champions and Breeders' Cup winners **Dayatthespa**, **Work All Week** and **Finest City**, as well as the Canadian Horse of the Year **Catch a Glimpse**.

He is now making a name for himself as a **damsire of the Grade I winner Noted and Quoted** (The Factor) and of a pair of stakes-winning 2yos in 2018: **SW Its Gonna Hurt** (Violence), winner of the Speakeasy S. at Santa Anita; and **SW Ice City Ghost** (Ice Box), who won the Sunday Silence S. Another 2yo from a City Zip mare, G1P Nitrous (Tapit), placed in the GI Hopeful S. at Saratoga. This tally can be expected to rise, with many of City Zip's best daughters, including the aforementioned **Catch a Glimpse**, **Dayatthespa**, and **Finest City**, now in production. Dayatthespa's yearling by Medaglia d'Oro sold for **\$1.6 million** at the 2017 Keeneland September Sale.

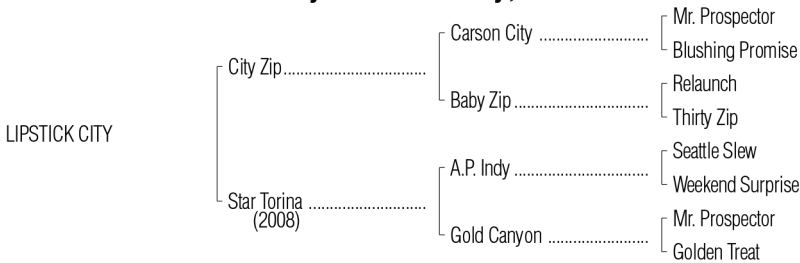

Lipstick City is the first foal from Star Torina, a daughter of the great **A.P. Indy**. Star Torina was an impressive first-out winner at Saratoga--she won an 8.5f turf Msw in 1:40.72-- is a **full-sister to the Grade II winner Adriano** and to three stakes producers, among them the dam of this year's GIII Swale S. winner **Strike Power**. Lipstick City's **third dam is the Grade I winner Golden Treat**, a half to the **Classic winner Bet Twice**. Lipstick City's immediate family is **very live with** two younger half-sisters by **Distorted Humor** and a 2yo half-sister by **Quality Road**, named Triumphant, who is now in training at Belmont.

Lipstick City should hold plenty of appeal for the European and Australian markets. Northern Dancer doesn't appear in her pedigree through five generations, and so she's an ideal candidate for Sadler's Wells/Galileo (Ire) and Danzig-line stallions.
