PRECOCIOUS FAMILY

After her impressive **debut win at Keeneland in April of her 2-year-old year, BONNEVILLE FLATS** was privately purchased by Amerman Racing and headed straight to Stakes company on the west coast.

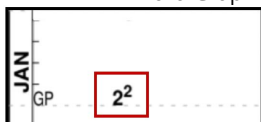

Her younger half-brother **MIHOS (Cairo Prince)** followed her footsteps in a similar fashion after he was dubbed a **TDN Rising Star** in his second start. He followed up that effort with a win in the Mucho Macho Man S. which put him on the radar in the South Florida competing in the region's **KY Derby prep-races**.

In his Mucho Macho Man win, he **ran a Graded Stakes winning 2² Thoro-Graph and 8+ Ragozin**, proving he was a legitimate contender in his division. MIHOS is **back on the work tab** with trainer Jimmy Jerkens in Florida and will likely point to the **G3 Westchester** for his 4-year-old debut.

IN-FOAL TO PIONEEROF THE NILE

BONNEVILLE FLATS is offered **in-foal on a March 7th cover (1 cover)**. Bonneville Flats' half-brother MIHOS (Cairo Prince), winner of 2019's Mucho Macho Man Stakes as a prep for the G2 Holy Bull, was used as a guideline for her 2019 cover.

Pioneer of the Nile at WinStar Farm.

The owners decided to go straight to the source, to Cairo Prince's sire **PIONEEROF THE NILE**. Bonneville Flats' **one and only cover date was March 7th**, just 11 days before Pioneer of the Nile passed away, making her just **one of the few mares to get in-foal to the great sire on his final year of service**.

PIONEEROF THE NILE is due for another big year in 2020 with **THOUSAND WORDS**, winner of the **G2 Los Alamitos Futurity**, near the head of the pack for 2020's Kentucky Derby prep-races.

A POTENT CROSS

Bonneville Flats offered in-foal to Pioneerof the Nile is a noteworthy cross as several of **Pioneerof the Nile's top performers come from mares who hail from the Storm Cat line**. Such progeny include Triple Crown winner and standout freshman sire **AMERICAN PHAROAH** as well as Champion **CLASSIC EMPIRE**. Bonneville's dam, FELINE FLATLINE, hails from the Storm Cat line, making this cross an extremely potent breeding.
