LOOKING AHEAD

The late Pioneer of the Nile at WinStar.

By the late **PIONEER OF THE NILE**, the sire of our first Triple Crown winner in over 37 years, **TOBAGO** is **owned by Eclipse Award nominated breeder Augustin Stable**.

Mr. Strawbridge has been working to downsize his racing/breeding operation throughout the year allowing for a **top broodmare prospect such as TOBAGO to come to public market**.

All you have to do is look at this filly's pedigree to see that her already **strong female family** has **every opportunity to become even more prominent** over the next couple of years with **progeny by the nation's Top-20 sires waiting in the wings**.

Not only do these upcoming foals have the pedigrees, but they are also managed by top breeders and owners in the sport such as Roy and Gretchen Jackson's **Lael Stables**, **Heider Family Stables**, Peter Brant's **White Birch Farm**, **e5 Racing**, and **Claiborne Farm**, giving them every opportunity to find success on the track.

Please let us know if you need any further information.
