This year, LADY PANAME was forced to run behind a very slow pace over a speed-favoring Gulfstream Park turf course in the G3 La Prevoyante. She ultimately ran 2nd that day, but winner **G2W/G1P MEAN MARY** has proven herself to be a top-class turf filly who has a chance in the G1 Breeders' Cup Filly & Mare Turf. [\(Click to view replay 📺\)](#).

FAMILY

LADY PANAME's sire Soldier of Fortune knows how to produce successful racehorses with the sire having **20 stakes winners led by 6 Group 1 winners**. She also has the female family behind her to both explain her success on the track and point to her **potential as a future broodmare**.

LADY PANAME is out of a young winning Aussie Rules mare named Business Class who has 2 winners from 2 to race. That 2-time winning mare has plenty more to come with **an unraced 2-year-old Kendargent filly and a yearling Dabirsim colt in the pipeline**.

Business Class is a **half-sister to 2 stakes winners** in Inside Man and American Trilogy with 4 of her dam's 5 runners winning a combined 16 races. That's just the start of the success in her family with **each of LADY PANAME's first 5 dams being the dam or granddam of at least one stakes winner**. They are proven producers of winners at all levels with her first 3 dams producing 11 winners of 34 races from 15 runners.

SUMMARY

LADY PANAME has proven herself to be a tough, **consistent performer in 2 different countries at some of the world's most prestigious racetracks** and comes from a family that produces winners. The mare was **consistently hitting the board at the Graded Stakes level in France** while giving G1 winners a run for their money. She **proved to be even better when coming over to the United States** with her only loss coming to one of the best mares in the turf division this year.

By a son of **GALILEO**, LADY PANAME has plenty of **upside as a broodmare** as well. Her **pedigree is the perfect fit for any country** and is only going to get better as the siblings she has in the pipeline start hitting the track in coming years.
