RACE RECORD

MALAKEH was always cut out to be a good horse, running 3rd in a maiden at Chantilly before **breaking her maiden in a stakes race** at Dusseldorf ([Click to watch race replay](#) ). She has **only ever been off the board once in 11 lifetime starts** across 4 different countries.

MALAKEH would then contest the **G2 German 1000 Guineas** where only the multiple **Group stakes/Group 1 placed and Royal Ascot winner Nyaleti** was too good for her. From there, Malakeh would rack up **another G2 placing in the Meilen Trophy against older males**, with both the winner and the runner-up **being multiple group stakes winners**.

At four, Malakeh made her US debut in April at Keeneland against a **full field of stakes quality older fillies and mares**. After a slow start, Malakeh sat near the back of the pack before **unleashing a big late kick over an extremely speed favoring course**. She ended up finishing 2nd behind the **multiple Graded Stakes winning and multiple Grade 1 placed Juliet Foxrot**.

In her next start, Malakeh made things right at **Belmont Park**  ([Click to watch race replay](#) ) , notching her first US win over 1-1/8 miles on the turf, beating five other quality turf fillies. She would end her four-year-old season with an allowance win at **Saratoga**  ([Click to watch race replay](#) ) where she got up late to beat the eight-time winner and **stakes placed Dream Passage** as well as the **G3W ANDINA DEL SUR, G3W BINTI AL NAR and SW Victorine**.

Malakeh won her 5-year-old debut, tackling another **stakes quality group in an allowance at Churchill Downs**. Hitting the front in the stretch, she went on to win, beating a strong group that included **eight stakes performers and five stakes winners** ([Click to watch race replay](#) ).

Making her North American graded stakes debut in the **G2 Nassau**, Malakeh again ran into a **speed favoring turf course where the winner and runner up were the pacesetters**. Still, Malakeh ran 3rd, beaten just a length while finishing in front of **G2W AMALFI COAST** and **SW/G2P Eyeinthesky** ([Click to watch race replay](#) ).

PEDIGREE

MALAKEH is **by the unbeaten HARBOUR WATCH** out of the Desert Sun mare, MARISA. MARISA is also the **dam of the Stakes winning Smokey Storm** as well as the 2-year-old filly MINGLEWOOD who sold for **\$140,944 at the 2019 Tattersalls Sale from book 1**. MINGLEWOOD is **in training with Christophe Clement** and has shown flashes of talent in her early days. Marisa has three other daughters who have produced up and coming yearlings.

With HARBOUR WATCH being only eleven years old, it's still much too early in his career for him to have made his mark as a broodmare sire. One stallion that has made his mark is **his sire ACCLAMATION (GB)**, who is responsible for horses like **G1 Commonwealth Cup winner EQTIDAAR** as well as US graded stakes winner TRUE VALOR and the multiple stakes placed two-year-old INVINCIBLE GIRL.

SUMMARY

MALAKEH came to the US with a great resume as it was, earning multiple Group 2 placings, once in the German 1000 Guineas and again **against older males**.

Once in the US, MALAKEH **won at three of our top tracks in Saratoga, Belmont and Churchill**

before rounding out her five-year-old campaign with **another G2 placing** where she was only beaten a length.

With a **talented two-year-old sister residing in the barn of Christophe Clement** and **three other sisters still producing** under her first dam, this pedigree has the chance to continue to develop.
