IN- FOAL TO UNCLE MO

A runaway **Champion freshman sire in 2015**, who proved to be the best of his generation at every level, UNCLE MO sired **champion juvenile and Kentucky Derby winner NYQUIST** among four G1 winners and 25 Stakes winners in his first crop. He has produced multiple Graded Stakes winners in each crop and can account for G1 winners in every crop aged three and older.

In 2020, he leads all North American sires by Graded Stakes winners (13) and is tied for the top-spot with INTO MISCHIEF for Graded Stakes performers (26).

UNCLE MO has already proven himself as one of the best sires in North America but one may argue that **his best crops are yet to come**. All of **his current G1 winners were sired at fees of \$75,000 or less**. His current 2-year-olds are his first crop of runners sired at a 6-figure stud fee.

"the start UNCLE MO has made, it equates so far to how that sort of sire- Danzig, Storm Cat, A.P. Indy- started at stud"
