

Notary goes gate-to-wire to break his maiden at Ellis.

ANALYSIS

Notary broke his maiden in his first race around 2-turns, sitting just off the early pace before **sputting clear in the stretch to win by 1-1/4 lengths**. In his 2 graded stakes attempts, he prompted a quick pace in both the **G3 Iroquois** and again in the **G1 Breeders' Futurity** over tracks that ultimately favored closers. Last out, Notary suffered a very **troubled trip** in an allowance at Churchill Downs, having to **check into the first turn before battling on bravely in the stretch against** a talented group of 2-year-olds. He heads to the sale off of his career-best figures on both DRF Beyer (64) and Thoro-Graph (12²).

Notary didn't appreciate sprinting in his debut but made sure to right the ship once stretched out around 2-turns at Ellis Park. Sitting just off the pace early, **Notary swept by around the turn and into the stretch to take the race by 1-1/4 lengths** while looking like a horse with a bright future (**race replay**). **Among the horses he beat that day was next out maiden winner Midnight Bourbon** who would go on to finish **2nd in the G3 Iroquois** before running **3rd in the G1 Champagne**. After forcing the pace in a couple of stakes efforts, Notary had a **horrible trip against stakes quality foes in a first-level allowance at Churchill Downs**, checking into the first turn before running on well late.

RACE SCHEDULE

With the improved effort from Notary last out, one would likely plan to **send him back against Alw-N1X company next out**. It's also worth mentioning that **his dam, Ellesmere, was a 2-time winner on the turf** and her offspring have 16 wins on that surface, so Notary **may be suited to a change in surface as well**.
