## PEDIGREE

As a broodmare sire, **UNUSUAL HEAT** has been quite productive, with his daughters producing recent Grade 1 Winners **MO FORZA** and **MUCHO UNUSUAL**. His daughters are also responsible for horses like Grade 1 Winners **SPANISH QUEEN** and **MASOCHISTIC**.

## PEDIGREE

PACIFIC HEAT was a **\$175,000 yearling purchase** by Peter Eurton and was subsequently the **sales topper from the 2014 Barrett's yearling sale (read more)**. She is by the legendary UNUSUAL HEAT out of the Stormy Atlantic mare HOTLANTIC.

She is already a **half-sister to the Stakes winner/Grade 3 placed LONG HOT SUMMER** and her **3-year-old half-brother POLISHED CHROME** (California Chrome) **ran a good 2nd in a MdSpWt** race at Ellis Park over the summer for Eddie Kenneally.

*Long Hot Summer dominates at Santa Anita.*

To date, **LONG HOT SUMMER is Pacific Heat's only producing sister**. She sold for **\$260,000 to Shadai Farm, at Keeneland January in 2018** and her **first foal by Isla Bonita sold for \$187,086 at the JRHA yearling and foal sale last year**. It's worth noting that this **family has shown itself to be quite precocious** with both Pacific Heat and Long Hot Summer starting their careers 2-for-2 with Stakes victories.

## PRODUCE RECORD

**Racing late into the spring of her 2018 season**, PACIFIC HEAT did not foal her first foal, a **colt by GHOSTZAPPER** until May 10, 2019. Since then, she has been stuck on a later date- however is an **easy keeper and has gotten in foal on 1 cover each year**. Her **2nd foal is a colt by the underrated racehorse sire JIMMY CREED**. Both foals have been retained by the breeders to race.
