ANALYSIS

Brooke Marie comes into the sale **having won a second level allowance at Keeneland on April 17th in her second race off the layoff**. Prior to this year, Brooke Marie was 2nd, beaten just a neck in the Christicat Stakes at Belmont Park to round out her three-year-old season. Still lightly raced for a five-year-old, Brooke Marie showed last out that she retains all of the ability that she displayed at three and is **ready to head back into stakes company**.

Brooke Marie was always very talented, but she really began to show her best when sprinting over the turf at three. She began by scoring in an allowance race at Monmouth by three lengths **where she earned career best (9 3/4 Ragozin)** for her efforts.

After missing by just 1 1/4 lengths in the Galway Stakes at Saratoga next out where she came from well off the pace, Brooke Marie **showed quite a bit more speed in the Christicat at Belmont** where she sat just a length off a quick early pace that went in 21 4/5 and 44 4/5. While other horses who sat near the pace dropped out of the race in the stretch, Brooke Marie kicked on in the lane to hit the lead inside the 1/16 pole. Unfortunately she was just nailed on the wire to finish 2nd, beaten a neck.

Making her second start off the layoff and returning to the turf after beginning her campaign on an all-weather surface, Brooke Marie took a competitive Keeneland allowance race going 5 1/2 furlongs on the turf, **winning going away by 1 1/2 lengths**. She earned an **86 Beyer Speed Figure for this effort, the second best of her career, as well as a (12 1/4) Ragozin Figure, also the second best of her career.**

PEDIGREE

Brooke Marie is by Lemon Drop Kid out of the Giant's Causeway mare Mamasez. Mamasez is also the dam of **Vivando, a three-year-old filly who was purchased for \$220,000** as a yearling by Martin Anthony and is in training with John Sadler, as well as a **yearling filly by Collected who sold for \$135,000** as a weanling last November to Sand Hill Stables.

Lemon Drop Kid has come on of late as a broodmare sire with his daughters producing top class horses on both dirt and turf. Most notably, daughters of Lemon Drop Kid have been responsible for **G1 winners Digital Age** and **Without Parole** as well as **G1 Kentucky Derby contender Sainthood**. Over the years, daughters of Lemon Drop Kid have been responsible for **Breeders' Cup winners Forever Unbridled, Tamarkuz, Bar of Gold** and **Finest City**.

Without Parole wins the G12 St. James's Palace at Royal Ascot

Digital Age wins the G1 Turf Classic at Churchill Downs

RAGOZIN

Brooke Marie earned a (9 3/4) Ragozin in the summer of her three-year-old season when winning a Monmouth allowance by 3 lengths while going 5 furlongs on the turf.

In her first race off the bench, she earned a (15 1/4) on an all-weather surface that she didn't care for before progressing to a (12 1/4) while returning to the turf. Being that she is still relatively lightly raced, more improvement can be expected of Brooke Marie and she looks ready to head back towards stakes competition.

Her latest figure makes her **comparable to Elle Z, who earned a (13 1/4) when winning the Pan Zareta Stakes** at Fair Grounds over the winter and was likely the best female turf sprinter located in New Orleans this winter.

RACE SCHEDULE

The effort that Brooke Marie displayed at Keeneland showed that she was still a stakes quality mare and as such, the following races are those that we feel Brooke Marie would be competitive in.
