

## ANALYSIS

Secret Time showed her talent from the very start, **breaking her maiden at Longchamp in her second start at two** before finishing a **narrow 2nd in the G3 Prix d'Aumale** in her very next start. At three, she was **beaten just three lengths in the G2 Prix de Sandringham at Chantilly** before coming to the states and finishing **2nd in the Cellars Shiraz to finish her 3-year-old season**. She ran into a couple of monsters in the **G3 Honey Fox** to start her 2021 campaign before just missing the board last out in a tough first level allowance at Keeneland.

Abuse of Power **hasn't missed a beat** since **debuting at Monmouth Park on August 1st** when finishing a fast closing 2nd over 5.5 furlongs on the turf. In her 2nd start, Abuse of Power sat right off the pace and **sprinted away at the top of the lane to win by 5 1/2 lengths before shipping up to New York to face deeper waters**. Her progression in Beyers is backed by her Thoro-Manager, Thoro-Graph and Ragozin sheets as she **never taken a step back on any sheet figures**.

## PEDIGREE

Abuse of Power is already the **half-sister to a stakes winner** in Street Storm and has a **half-sister by Constitution in the pipeline** who sold for \$180,000 at KEESEP20. Her **\$460,000 OBSAPR19 purchase price** makes her the **highest priced daughter of Karakontie to be sold at public auction**. Her 2nd dam, Blushing Ogygian, is the **dam of G1W and sire Street Boss** as well as Habiboo, the dam of **G3W Life Imitates Art** and **G3W/G2P Bellera who sold for \$850,000 to Stonestreet** at the Fasig-Tipton November sale this year.

## RACE SCHEDULE

Abuse of Power still has her **ALW-N1X condition** with the potential to step up to stakes company. She has **only ever been tested around 1-turn** this year, but her pedigree suggests that she **should be able to stretch her speed out to a mile**. Possible future races include:
