ANALYSIS

Bacchanalia is a lightly raced 5-year-old turf mare. From those starts, she has been in the money 6 times, routinely **running against Stakes caliber turf mares**. In her 2021 **seasonal bow**, she **romped home over the Gulfstream lawn, going away to win by 1-1/4 lengths** while earning an 84 Beyer, handily defeating SW/G2P ASK BAILEY.

BACCHANALIA **routinely runs Beyer figures in the 80s** and has turned in two solid last-out efforts in which she ran into the likes of G2W CALL ME LOVE (beat a neck) and SW/G2P BEAUTIFUL LOVER (4th beat 2 lengths).

BACCHANALIA was **precocious enough to debut as a 2-year-old** and put the pieces together to **break her maiden in her 3rd lifetime start** going 9f at Belmont with an 82 Beyer. She **came back off of that effort to notch her first start against winners**, displaying a good turn of foot to close from 9th (of 12), **defeating future G1W CIVIL UNION. (Click here or scan QR code).**

She **made her first start of 2021 a winning one** back in south Florida at Gulfstream. Changing tactics, BACCHANALIA sat a bit closer to the pace and **used her late kick to pull away in the stretch, winning by 2-lengths in the end** to defeat SW/G2P ASK BAILEY. **(Click here or scan QR code).**

Last out BACCHANALIA set the pace and while she came up 2-lengths short of the winner in the end, **the horse she battled on the lead with faded to last by +11-lengths**. Of note, her allowance fields have included a number of talented Stakes fillies, 12 of which (highlighted in PPs) have ended up in the money.

BACCHANALIA has earned back-to-back (9)s on Thoromanager in her last 2 starts. This is a Graded Stakes winning caliber figure for older fillies and mares going long on the turf. In fact, her paired (9)s are faster than what the following fillies and mares earned in their Graded Stakes winning efforts.

RACE SCHEDULE

BACCHANALIA is a consistent older turf female who is **still in top form as a 5-year-old**. She is still **lightly raced for her age** (10 lifetime starts) and has **competed in some salty allowance races**, facing 12 Stakes/Graded Stakes winners. She has shown a late closing kick and brings a new dimension to her races this year, now flashing tactical speed. While she is now eligible for the rare N3X and conditioned allowance, she is **running speed figures that make her competitive among stakes/graded stakes company (9 Thoromanager, 7³ Thoro-Graph)**.

Moving forward, BACCHANALIA's connections can **aim to earn some black-type on the regional circuits** before the 2022 breeding season. Don't forget about the **revamped Del Mar 'Ship & Win' bonus** which **gives a \$4k starter grant + 40-50% purse bonus** to all out of state shippers. Looking ahead, **possible future targets include but are not limited to:**
