ANALYSIS

3-year-old turf filly BADGER KITTEN was **highly thought of by trainer Chad Brown** and **training like a future Stakes quality filly**. She made her first two starts on racing's A-circuits, however didn't meet expectations in those efforts.

In her **3rd lifetime start** and first for trainer Graham Motion, BADGER KITTEN turned in an immensely improved effort to run **2nd in a MdSpWt** at Delaware going 2-turns on the turf. She **drewn the outside post (#12)** and despite being **wide throughout**, was able to put in a good run down the lane.

BADGER KITTEN was unlucky in her 2nd start, **drawing widest of all (12/12)**. While being forced **wide throughout**, she was **unable to save any ground**.

Last out, she turned in a **much improved effort** against MdSpWt company at Delaware despite drawing **widest of all again**. She put in a **good run down the lane**, only to be **bested only by her heavily-favored stablemate PERHAPS TONIGHT**. (Click here or [scan QR code](#))
