**Conditions Left:** Stakes

**Preferred Surface:** Dirt

## ANALYSIS

The late blooming FEARLESS kicked off his 2021 campaign with a win in the G2 Gulfstream Park Mile and has followed up that gutsy effort with 2 other on the board finishes this year, all against Graded Stakes company. His current season speed figures (paired impressive (1) ThoroGraphs; lifetime best (-0<sup>3</sup>) and past performances (lifetime best 101 Beyer) prove that he is a major contender in the the Handicap division.

Looking ahead, FEARLESS is **undefeated over the Gulfstream oval** and could compete for his next connections in the top races during the Championship Meet. Not only that, but FEARLESS is the **ideal sort of horse to take to the Saudi Cup, Dubai World Cup, and Pegasus World Cup** giving you a chance to bring home **over \$30,000,000 in purses.**

In his 5-year-old campaign, FEARLESS has **completed exclusively in Graded Stakes events, hitting the board in each.**

FEARLESS stayed **undefeated in 3 starts at GP** to win the G2 Gulfstream Park Mile. He earned a **99 Beyer off of an 8-month layoff** and showed that he can **compete in Graded Stakes WITHOUT LASIX.** (Click here or scan QR code).

In his last two efforts FEARLESS kept the best of company, running **2<sup>nd</sup> to G1 Met Mile winner SILVER STATE** in the Oaklawn H. and **3<sup>rd</sup> to MGSW LAST JUDGMENT** in the Pimlico Special with a **troubled trip.**

Going off the favorite in the G3 Pimlico Special over Preakness weekend, FEARLESS endured a **troubled trip.** He faced **traffic entering the first turn** costing him his preferred stalking position before **losing significant ground after being forced 4-wide** down the backside and far turn. ## RACE SCHEDULE

Since running 3<sup>rd</sup> in the Pimlico Special (G3), FEARLESS has been at WinStar Farm getting some **time off for mild bone-bruising**. He has already had 60 days off and should be able to resume galloping in another 60 days. This time schedule sets FEARLESS up to get back to the races in the 4<sup>th</sup> quarter of 2021, **priming him for a comeback at Gulfstream Park where he is undefeated in 3 starts including a G2W** before tackling big races such as the the **\$20,000,000 Saudi Cup, \$12,000,000 Dubai World Cup, and \$3,000,000 Pegasus World Cup**.
