ANALYSIS

ROMANCER added blinkers in his most recent start and they did the trick quite well as he showed an abundance of speed before easily running away from the field to break his maiden by 6 ¼ lengths.

The two-year-old son of Carpe Diem has taken a step forward in each of his three races to date and he appears poised to take another step in the right direction in his next start. While he broke his maiden against MCL\$35k company, ROMANCER's win margin put him in a class of his own and his speed figures are very comparable to those of 2-year-old colts running at the Stakes level.

- ★ ROMANCER showed a new dimension in his maiden win while wearing blinkers for the first time, helping to set a quick pace and winning with a final time nearly a second quicker than the Maiden Special Weight event that he debuted in. (Click to view or scan QR code).
- ★ ROMANCER's winning Beyer is just one point lower than the Beyer that VODKA N WATER earned when finishing 2nd in the G3 Bashford Manor as well as the Kentucky Juvenile Stakes, showing that he has the speed to compete at a Stakes caliber level within his age group as we head into the summer.
- ★ On Thoromanager, ROMANCER earned a (12) which makes him the second fastest 2-year-old maiden winner of the meet at Indiana Grand out of 16 other 2-year-old maiden races to date.

SPEED FIGURES

Not only is ROMANCER's recent Beyer figure in line with his fellow class men who are competing at the Graded Stakes level, but his Ragozin sheet number matches up too. In his dominant maiden win, ROMANCER earned a (26) which is just a tick off of the (25 3/4) VODKA N WATER earned when 2nd in the G3 Bashford Manor on closing day of Churchill's spring meet.

RACE SCHEDULE

ROMANCER has already shown his ability on the dirt, but considering his 1/2-sister TESORA (Scat Daddy) is a Stakes winner on the turf and that his sire CARPE DIEM has shown the propensity to produce successful turf horses, that surface certainly seems like a viable option down the road.
