KEOTA'S best performance came in the Captiva Island S. when she **closed on multiple Stakes Winner GIRLS KNOW BEST** to be second by just a **half-length**. That race saw her score a **career-best 91 Beyer Speed Figure** just one start after she had **finished 3<sup>rd</sup> in the Ladies Turf Sprint Stakes**.

**KEOTA** rolls home a dominant winner of a Saratoga allowance.

In front of her in the Ladies Turf Sprint Stakes was **multiple Graded Stakes winner JEAN ELIZABETH** and **GIRLS KNOW BEST** while 3-lengths behind her was **multiple Grade 2 Winner CHARMAINE'S MIA** and **4 other stakes winners**.

In a career that saw her race on the **tough New York and Florida circuits**, KEOTA was an **extremely versatile mare with wins from 5-1/2 furlongs to 1-1/16 miles** on the turf. She registered **4 Beyers in the upper 80s and 90s** with her 5 career wins coming by a **combined 17-1/4 lengths**.

KEOTA is **by top Australian sire LONHRO (AUS)**, who is also a **strong broodmare sire**. Led by **Group 1 Winner GATTING** (Hard Spun), LONHRO's daughters have produced **24 Group Winners, 40 Stakes Winners, and 71 Stakes Performers**.

His **daughters have crossed very well with U.S. shuttle stallions**. Some of his best runners as a broodmare sire are by U.S. stallions such as **HARD SPUN, STREET BOSS, MEDAGLIA D'ORO, and FROSTED**.

KEOTA is out of the **Grade 3-placed SCAT DADDY** mare Mystic Mama, who has **3 winners from 4 to race**. MYSTIC MAMA is the **5th generation of her female line to produce at least one stakes horse**. Included in that line is KEOTA's Grade 2-placed 4th dam HINTERLAND, who is the dam of G1 Ballerina winner FEEL THE BEAT.

KEOTA provides breeders with an **out cross from top to bottom**. Her sire has a strong Australasian pedigree and her 2nd dam is by Runaway Groom.

Her pedigree is also **free of A.P. Indy**, Storm Cat doesn't appear until the 5th generation, and Mr. Prospector is in her 4th, leaving you a **multitude of potential matings**.

*LONHRO (AUS) will stand for \$65,000 for the 2022 breeding season.*

## SUMMARY

KEOTA **showed her talent when taking on proven stakes horses and defeating them** while earning strong Beyer Speed Figures. She was also incredibly **versatile on the track with wins at both spring and route distances** on 2 of the toughest circuits in racing.

**By top Australian sire and a successful broodmare sire** Lonhro, KEOTA is also an **outcross to most of the popular stallions today**. LONHRO has had few chances as a broodmare sire in the United States but **most of the best runners out of his daughters in Australia are by American stallions**, giving you the opportunity to repeat successful crosses.
