ELITE SALES

ANALYSIS

TALLIS is a **lightly-raced 3yo son of UNCLE MO** and showed **substantial improvement when switching to the turf** in his most recent start at Belmont Park. He is a great work horse in the morning- **working heads-up with such horses like Known Agenda**. He was **favored over Promise Keeper in his debut** and has **never missed a work**. He is here to sell as his owner/breeder Siena Farm is not looking to keep this type of turf horse in training over the winter.

TALLIS is **coming off a career-best effort**. In his victory for MDN-\$40k at Belmont Park going 8.5f on the turf where he **posted a career high 78 Beyer**. In this race, TALLIS used his tactical speed from a wide post to get a stalking trip that allowed him to claim victory. This was his first race on the turf after two attempts previously where the races were taken off the surface and ran on a muddy dirt track.
