big improvement from 2-3YO year

Split Then Double (GB) has had some seriously tough competition and bested them all last start. She received an 88 Beyer for her first career win; **beating the competition by 4 ½ lengths**. The winner of her debut, **Red Ghost**, went on to win the **G3 Miss Preakness**, while **Rastafara (IRE)**, who beat her in her 7/24/21 race, won the **Riskaverse S.** in her following start while the **2nd place finisher Ego Trip** ran 3rd in the **G2 Lake Placid**.

In her first start of her 3YO year she broke last, hitting the gate on her way out. Split Then Double (GB) was in traffic the whole way but **STILL** looked the winner in the closing stages. Star Command had the inside route and just barely held her off. [Watch here!](#)

left: Split then Double finishes 2nd, beaten a nose in a Belmont Park maiden last year at two **without Lasix.**

Looking at the Thoromanager numbers it shows just how consistent she has been this year and the small improvements should keep coming!

## LOOKING AHEAD

Split Then Double has certainly **proven to be competitive on the tough NY circuit, breaking her maiden last start and was on the board in her previous four starts.** Look to Gulfstream's championship meet, Santa Anita, Fair Grounds, or anywhere with a turf course! She will most definitely **experience a class relief on any circuit this winter even as she moves up in condition.** Look for 6f - 1 1/8th grass races for her to excel at next!
