ANALYSIS

WINFROMWITHIN has form against the best three-year-old turf horses of his generation, finishing 3rd, beaten just 2 3/4 lengths in the G2 American Turf last out after helping to set a fast pace. He came into that race fresh of a win in the Columbia Stakes at Tampa Bay Downs where he set a new course record for the mile, stopping the timer in 1:33 1/5 for the mile. Much improved the turf, Winfromwithin looks set to continue competing against stakes company as he heads into his four-year-old season.
