

ANALYSIS

4-year-old DIGITAL SOFTWARE is a **lightly** raced gelding by the value sire Temple City. With Dansili (GB) as his broodmare sire, DIGITAL SOFTWARE is bred up and down for turf. He **broke his maiden this summer going 8.5f on the turf at Saratoga** in a MCL\$40k. In 6 career starts he has been ultra-consistent, finishing **only once outside of the top 3** in that start, he was 4th in a MdSpWt at Keeneland.

Last Race: 10/24/21 - CLM\$30k-N2L @ BEL
Finish: 3rd
Trainer: Chad Brown
Conditions Left: STR/N1X/N2L
Preferred Surface: Turf

DIGITAL SOFTWARE could prove to be a competitive horse on the turf at Gulfstream, Tampa, Fair Grounds, or on the west coast Santa Anita this winter. Alternatively, he could test the waters on the all-weather at Turfway.

DIGITAL SOFTWARE kept good company in his 6 lifetime starts. On debut, he **ran 3rd to Greyes Creek who would go on a 3-race win streak** from there. In his 3rd start, he ran a **career-best 79 Beyer** when running 2nd to Molino who won a starter allowance at Belmont on 10/2/21.

His maiden victory on 8/6/21 at Saratoga proved to be a key race (**RACE REPLAY**). He **defeated 4 horses that have since broke their maidens** (The Angry Man-4th, Partner's Hope-6th, Reiner-7th, The Big Grey-10th). The 2nd and 3rd place finishers, Bail Out and Jmmy Dan, each hit the board in their next outings.
