

BLACKADDER storms home late to take the El Camino Real Derby.

**Last Race:** 4/9/22 - G1 Blue Grass S. @ KEE  
**Finish:** 9th  
**Trainer:** Brad Cox  
**Conditions Left:** ALW-N3X/STK  
**Preferred Surface:** Synthetic/Turf

ANALYSIS

The Stakes winning BLACKADDER captured **two victories in a row earlier this year**, including a **win in the El Camino Real Derby** where he went from 5th to 1st in the stretch. The (7<sup>3</sup>) **Thoro-Graph** figure that he earned in that win represents an on par figure run by any entrant in the G3 Transylvania at Keeneland or the Woodhaven Stakes in New York.

Based on his effort in the G1 Blue Grass at Keeneland earlier this month, future connections could likely **look to send BLACKADDER back to either the synthetic surfaces or turf.**

BLACKADDER showed grit and determination to go from **5th to 1st in the stretch of the El Camino Real Derby (click to view race replay)**. He got up late in the stretch to beat the multiple Stakes winning **MACKINNON, who finished 3rd beat just 1 3/4 lengths in last year's G1 Breeders' Cup Juvenile Turf.**

His win in the El Camino Real Derby came on the heels of a **maiden-breaking score over the dirt at Santa Anita** where he came from 8th **about 8-lengths back off the leader (click to view race replay)**, something which is **incredibly difficult to accomplish over that track.**

*BLACKADDER breaks his maiden going last-to-first at Santa Anita.*

## THORO-GRAPH

BLACKADDER recorded a **career-beset Thoro-Graph figure of a (7<sup>3</sup>)** when winning the **El Camino Real Derby** and with his female family having had some success over the turf, it would not be a surprise if he **continued to show a prowess for the turf/all-weather**.

The (7<sup>3</sup>) **Thoro-Graph** he earned in his most recent win would've been the **fastest figure earned by any entrant in recent stakes races for 3-year-olds on the turf** such as the **G3 Transylvania** at Keeneland and the **Woodhaven Stakes** at Aqueduct.

## LOOKING AHEAD

BLACKADDER is **Alw-N2X eligible** and with turf racing beginning all over the country and Woodbine opening up, he looks to have several options moving forward. Possible future starts include but are not limited to.
