## **ANALYSIS**

NORMA JEAN B comes into the sale having won 4 of her last 6 starts. Her win streak on the west coast was disrupted when finishing a close 2nd in the Swingtime Stakes at Santa Anita where she ran without Lasix.

Norma Jean B has **never been off the board** in 8 starts over the firm turf with her only off the board finish coming over ground rated "good" at the Keeneland spring meet.

She is running top figures in 2022, having earned career-best numbers two starts back with a 6 Thoro-Graph and an 89 Beyer Speed Figure.

NORMA JEAN B has won 4 of her last 6 starts, the highlight of which was a hard-fought allowance win at Del Mar in November where she beat four stakes winners, including G1W QUEEN GODDESS, who also recently won the G3 Santa Ana (click to view race replay).

Prior to that race, NORMA JEAN B. finished 2nd, without lasix, in the Swingtime Stakes at SA where she finished ahead of G1W BROOKE and stakes winners AVENUE DE FRANCE, IPPODAMIA'S GIRL, and NASTY (click to view race replay).

Two starts back, NORMA JEAN B. won the Glendale Stakes by a widening 1-1/4 lengths after flying home in the stretch (click to view race replay).

## **THORO-GRAPH & RAGOZIN**

Not only does NORMA JEAN B. show improvement in her Beyer Speed Figures, but she has also taken a significant step forward on Thoro-Graph, earning a career-best (6) in her latest start, a number which would put her in contention in Stakes company.

To put that number in perspective, the undefeated BLEECKER STREET earned a (7) when winning the G3 Endeavour over 8.5f at Tampa Bay Downs this winter while SHE CAN'T SING, who won back-to-back stakes races over the turf at Fair Grounds this winter, got a (71) when winning the Al Stall Memorial in February.

NORMA JEAN B. beats four SWs including G1W QUEEN GODDESS in a Del Mar allowance last September.

## LOOKING AHEAD

NORMA JEAN B has shown herself to be worthy of a step up in class while earning stakes quality Thoro-Graph figures. As we head towards the spring/summer, there will be plenty of opportunities for her to pick up some more black type and graded black type anywhere in the country. A possible stakes schedule includes but is not limited to the following:
