MONTEBELLO made his second start of the year a winning one, **going gate-to-wire in a Belmont Park allowance** while earning an **88 Beyer** against older horses ([click to view race replay](#)).

Top NY-bred AMERICANREVOLUTION, who went on to win the **G1 Cigar Mile** last year, **won the 2021 New York Derby for 3-year-old NY-breds with an 88 Beyer**, putting MONTEBELLO right on par with top NY-bred 3yo's from past years.

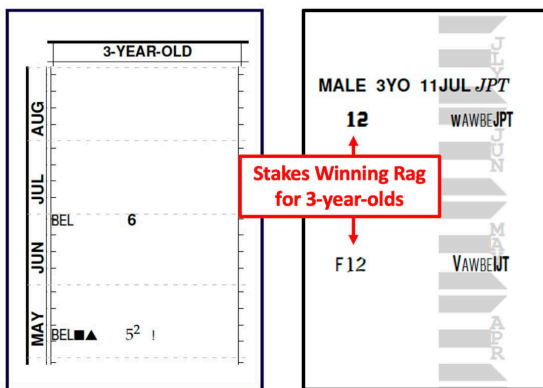

DRF PPs CONT.

With a potential return trip to Saratoga on deck, it's important to note that **MONTEBELLO** has already turned in a good performance over the surface, running 2nd in the **Funny Cide Stakes** (click to view race replay) there last summer after breaking his maiden against open company at Del Mar **without lasix**.

THORO-GRAPH & RAGOZIN

MONTEBELLO's step forward this year has also shown in his Ragozin figures, where he has **paired 12's to begin his season, proving that he is ready to take another step forward in his third race off the bench.**

That said, a 12 Ragozin has been good enough to win a few different 3yo stakes races this year, with the **winners of the G3 Affirmed and The Sir Barton stakes having earned 12 ½ and 12 Ragozin figures, respectively.**

## LOOKING AHEAD

As MONTEBELLO has **proven himself to be fast enough to compete against open company**, it opens up several spots for him to contest moving forward, including **several stakes races restricted to 3-year-olds throughout the summer** and into the fall.
