ANALYSIS

MAURITIUS has shown talent from the start, earning an **86 Beyer in his debut** behind the **MG1W Taiba**, who was recently 3rd in the G1 Breeders' Cup Classic. Back at one turn off the bench, MAURITIUS went gate to wire in a Laurel Park maiden special weight event which saw him win in gate to wire fashion by a widening 2 1/4 lengths. Though his one start around two turns resulted in a 4th place finish, MAURITIUS is bred to go two turns as his **dam's offspring win at 25% in dirt routes and 33% in turf routes**. MAURITIUS has been kept in light training at Margaux Farm since his maiden win.

THORO-GRAPH

Open lengths maiden special weight score @ Laurel Park.

Debut 2nd place finish behind next out G1 Santa Anita Derby winner, Taiba.

LOOKING AHEAD

After a maiden breaking score at Laurel Park in October, MAURITIUS is set to take the next step in a first-level allowance. The offspring of MAURITIUS' dam Special Still have 14 wins between them, **with 13 of those coming at a route of ground**, so he is well worth another try around two turns moving forward.
