3-YEAR-OLD SEASON

LADY ROCKET showed she had **precocity** and **speed early** on in her career, as evidenced by her **\$420,000 OBS April 2019 sale purchase price**. An injury sustained early in her juvenile season prevented her from making a start as a 2-year-old however, LADY ROCKET made up for lost time once she **made her debut at Saratoga a winning one**. She backed up her maiden win to take a 6-furlong Keeneland N1X in 1:10.0.

LADY ROCKET has competed against 51 Graded Stakes/Stakes Performers throughout her career.

4-YEAR-OLD SEASON

LADY ROCKET wins the Pink Ribbon Stakes.

LADY ROCKET found her best stride in her 4-year-old season, **winning two Stakes over 7-furlongs** while ending her season on a high note to take the **1-mile G3 Go For Wand** dominant, gate-to-wire fashion.

She earned her **first Stakes win in the Pink Ribbon S. on Charles Town Classic night**, despite jockey Florent Geroux losing his whip ([click to watch race replay](#)).

Next out, she finished **2nd in the G2 Gallant Bloom** behind Test victress, **G1W BELLA SOFIA** despite **stumbling badly at the start** ([click to watch race replay](#)).

Rallying back from her **2nd in the G2 Gallant Bloom**, LADY ROCKET showed her **tactical speed** once again to win the Pumpkin Pie S. **gamely defeating G3W GLASS CEILING** and **G2W LAKE AVENUE** ([click to watch race replay](#)).

“

"She broke out of there running... and she dug in deep and found that class she needed to get to the wire first."

She delivered her most **spectacular performance to date** when **winning the G3 Go for Wand Handicap** in a dominant, **gate-to-wire score by 9-lengths** while being **eased up on the wire**. She **defeated an all black-type field** consisting of GSWs MISS MARISSA and SHARP STARR along with SWs HONOR WAY, BELLA VITA, and TRUTH HURTS. This effort earned her a rocket-fast **107 Beyer, 4 3/4 Ragozin, and -2 1/2 Thoro-Graph**.

Her **107 BEYER** and **-2 1/2 THORO-GRAPH** were the **FASTEST** figures given to a **filly/mare dirt sprinter in 2021**. They were even **faster than** what **MG1W CE CE** earned in her **G1 Breeders' Cup F/M Sprint** victory.

Andy Serling @andyserling · Dec 4, 2021

One of the reasons I love speed figures is they put performances into perspective. At first, I thought the Cigar was disappointing as it was slower than the **Go for Wand**, but it turns out Americanrevolution and Following Sea ran very well...**Lady Rocket** just ran a little better.

LOOKING AHEAD

The **multiple Graded Stakes winning** LADY ROCKET has **earned over \$700,000** in her 16-start career and continually lives up to her name with her **"out of this world" speed**. A **winner over 6-furlongs to a mile**, LADY ROCKET's sensational performance in the G3 Go For Wand earned her a **107 Beyer** and **-2 1/2 Thoro-Graph** which towered above the others in her division for that year.

As a 5-year-old this season, she is **still running figures on par with her career-best**, earning a **104 Beyer** and **-2 Thoro-Graph** last out when 2nd in the G2 Gallant Bloom behind G1W KIMARI.

This **consistent and lightening quick dirt sprinter** can take your racing or breeding operation into a new stratosphere. She is **back on the work-tab** and could be **campaigned in 2023** with the hope of adding that elusive G1 to her resume.
