BOSQUE REDONDO has improved his speed figures in all three of his races. His 13 3/4 Ragozin ran last out is **comparative to winning figures in long distance turf stakes races** from 2022. The G3 San Juan Capistrano was won with a 13 Ragozin.

LOOKING AHEAD

Based on BOSQUE REDONDO's most recent race and speed figures, it seems that he would be best suited for longer distanced turf races. He is still N1X eligible and can run through his conditions. As a Kentucky-bred turf horse, you can aim for the lucrative purses at Kentucky Downs and Churchill Downs as a late summer goal.
