## LOOKING AHEAD

As a 3-year-old colt, CLASS ACTOR has **plenty of opportunities moving forward**. He can continue to run through his conditions and point to a N1X Allowance on the dirt on any racing circuit. If he can be competitive around two-turns, he will be a colt that will be able to present his new connections many different race options. There are plenty of restricted 3-year-old stakes races across the country to point him to during the summer.
