ANALYSIS

A physical standout, **TALLADEGA** is a 3-year-old colt by **INTO MISCHIEF** who is coming into the sale with his **N2X conditions** after running his **lifetime best Thoro-Graph (5 1/4), Beyer (85), and Ragozin (13)** after winning an Allowance at Oaklawn Park on April 8th. With a **massive dirt pedigree** behind him, TALLADEGA has plenty of potential moving forward as a 3-year-old dirt colt.

After encountering troubled trips and bothered starts, TALLADEGA is undefeated when running on the front end.

THORO-GRAPH

TALLADEGA has shown improvement throughout his 3-year-old career. In the Rebel, he was drifted out nearly 6-wide in the first turn, bumped, and lost all chance early in the race. He followed up that effort with a 2 3/4 length victory at Oaklawn Park.

LOOKING AHEAD

TALLADEGA could run in an allowance N2X race next or move up to stakes company. Although many condition books have not yet been released to find him an allowance race, as a 3-year-old colt, there are plenty of age restricted stakes races all across the country to point him to.
