## 2- and 3-year-old Season

**DR ZEMPF** began his racing career in Ireland in June, 2021, where he quickly came on the scene after **winning on debut** as a 2-year-old at the Curragh. Since his debut win, he has run in **8 consecutive Graded Stakes/Stakes** overseas, picking up wins in the **Listed 2,000 Guineas Trial** and **G3 Ballycorus Stakes**, both over 7F.

DR ZEMPF wins the 2,000 Guineas Trial at Leopardstown

"He was very impressive."

Ger Lyons on victory for **Dr Zempf** in the €50,000 G3 Ballycorus Stakes @LeopardstownRC. The long-term plan could be trips stateside for this progressive three-year-old

After having a successful 3-year-old season in 2022 following his last run overseas in August 2022, he was sent to America and **moved to Chad Brown's barn to prepare for his 4-year-old season.**

## 2023: 4-YEAR-OLD SEASON

CLICK HERE TO WATCH ALLOWANCE WIN

DR ZEMPF made his **first start in America a winning one**. Going 7.5F at Gulfstream Park, he took over in the stretch and **won convincingly** by 2 1/2 lengths earning a **90 Beyer / 8 3/4 Ragozin**.

Mike Welsch @DRFWelsch · Mar 10

Dr Zempf ran to those company lines across the Pond, drew off readily once tipping out into stretch to capture today's main event at what seemed like a bit of a generous 9-5, back to back wins for trainer Chad Brown, 2nd today for jockey Tyler Gaffalione as well.

Following his allowance win, Dr Zempf **stretched out to a mile in the G1 Maker's Mark Mile** where he finished sixth. He **cut back in distance to 6 furlongs** in his next start in the **G1 Jaipur Stakes** on June 10th. Returning to what he does best, sprinting, **he was bottled in and had to be patiently ridden**, finishing 4th to **MG1W CARAVEL**, with **seven Graded Stakes/Stakes winners behind him**.

He earned a career high **95 Beyer** and **9 Ragozin** in his efforts.

Dr Zempf ran 4th in a loaded G1 Jaipur on June 10

## LOOKING AHEAD

DR ZEMPF **has returned to the worktab since his last race** on June 10th, posting a 4F move in 48.5 over the Belmont training track.

The 4-year-old gelding has proved **he can compete with the nation's top sprinters** and a potential racing road map has been planned for the summer and early fall.

Based on DR ZEMPF's form, he is **best suited for races under a mile**. Although he is not Kentucky-bred, a prime target could be the **G2 Kentucky Downs Turf Sprint**, a Breeders' Cup Win and You're In which is over 6F. Non Kentucky-breds still compete for a lucrative **\$600,000**.
