PAST PERFORMANCES

In his only start as a 3-year-old, MURRAY earned a big **90 Beyer** and **10 Ragozin** when running 2nd against N1X company going 6 1/2-furlongs.

As a 4-year-old, MURRAY started his season sprinting however turned in an **improved effort on speed figures** when **stretched out to a mile** last out. Based on the improvement in figures, one could figure that a **stretch out in distance could suit** MURRAY in the remainder of his starts this season.

Looking ahead, MURRAY still has his Alw-N1X condition remaining. Additionally, a slight drop in class could help get this colt back into the winners' circle.
