ANALYSIS

PRO OXIDANT was last seen winning on June 1st at Churchill Downs against a **Stakes quality allowance field**. He has recorded **4 wins from 7 lifetime starts** and earned a solid **92 Beyer, 8- Ragozin**, and **3 Thoro-Graph** last time out.

In his last race on June 1st, **two horses in the field came back to win their next starts at the same level** including the 3rd place finisher **G3P CHASING TIME**.

In the latter half of **PRO OXIDANT's** season, his new connections could look to **try him back at the Stakes level** sprinting on the dirt. **>>> Click here to view race replays.**

LOOKNIG AHEAD

In his lone start against Graded Stakes company, PRO OXIDANT sat a **bit closer to a hot pace** while getting a **taxing trip in-between horses** the whole time. The winner came from off the pace that day, and while PRO OXIDANT could've thrown in the towel and faded in the stretch, he **gamely dug in along the rail**.

Looking ahead, connections could look to try this talented 4-year-old back at the **stakes level** in some of the following regional listed Stakes while potentially targeting Graded company again later in the year.
