70 BEYER ON DEBUT

REBELLIOUS STAGE broke his maiden in his debut by 7 lengths, breaking sharply and sitting just off the pace before exploding down the lane to put away his company. His final 1/8 of a mile in 12.76 seconds, the fastest of seven 6 furlong races run at Pimlico on May 13.

REBELLIOUS STAGE most recently ran 4th in an AOC at Laurel Park on July 2 after enduring a troubled trip. Starting off a step slow, he got shuffled back and had to swing wide and closed like a freight train to finish 4th. He had a huge gallop out and the race is a MUST WATCH replay.

## LOOKING AHEAD

- **REBELLIOUS STAGE** showed **good tactical speed in his debut** and can be forwardly placed in sprint or route races moving forward. Even after a troubled trip and a less than ideal position in his last race, he showed a lot of **heart through the lane** and **closed like a powerhouse**.
- Being that he is a 3yo, he can still **take advantage of age-restricted allowance races** as we head into the summer, with spots available at several different racetracks.
- By Triple Crown winner **JUSTIFY**, **REBELLIOUS STAGE** is from the **female family of G1 Met Mile winner Silver State** as well as **G1 Kentucky Derby winner Monarchos**. **REBELLIOUS STAGE** should be able to **stretch out and he does have some turf influences** in his female family, namely his 2yo ½-sister Launch, who is G3 placed sprinting on the turf in Ireland this year, so he could be **versatile surface-wise as well**.
