Outside of his lone start on turf, PENSACOLA has **shown progressive improvement on the Thoro-Graph sheet** in each of her starts this year. He has also been a **model of consistency on the Ragozin sheet**.

While his one start on turf yielded a less than stellar effort, it's important to note that **PENSACOLA broke out of the gate** prior to the start and it **was his first effort around 2 turns**. Both **his dam and half-brother were standout turf horses** so there is a potential to try him back on the turf or **all weather this winter**.
