UNANIMOUS CONSENT (GB)

Almanzor - Fast Lily

HIP 4133

Selling November 17th

Past Performances

UNANIMOUS CONSENT took the first three starts of his career, including the Woodhaven Stakes at Aqueduct in the spring of his 3yo season, **defeating stakes winners Fort Washington and Heaven Street.**

This year, UNANIMOUS CONSENT has **faced some difficult fields**, including **two races back in Saratoga** where he was 4th behind **GSW Grand Sonata**, next out **SW Easter and SW Kuramata (IRE).**

Last out, UNANIMOUS CONSENT **raced behind a very slow pace** and was the **only horse in the race to make up any sort of ground**, going from 6th to 4th. It was also his first start with blinkers.

Looking Forward

Even though UNANIMOUS CONSENT has not been able to go to the winner's circle yet this year, he has **taken a step forward on Beyers, Ragozin figures and Thoro-Graphs.** He is still very lightly raced and is eligible to continue earning improved speed figures.

Looking Forward

A **faster pace** would likely help UNANIMOUS CONSENT get himself into the race a bit better than he has been and that could happen at a track like **Gulfstream** where they are notorious for going a bit faster in front.

He is eligible for a third-level allowance going a mile on the turf at Gulfstream Park on December 16th, which would allow him plenty of time to train on from the sale.
