Troubled trip last out but still go up to win!

CHANDIGARH is a turf router who just broke his maiden as the favorite at Tampa Bay Downs (April-13) with a **78 Beyer** - above the Beyer par for Tampa.

He was green in his debut, he **improved significantly in his second start**, even though he got a **troubled trip**, being **knocked around at the break**, ending up 4-5 lengths behind the leaders, and coming around the turn **4 wide**, he **confidently lengthened his stride and got up for the win**. He has plenty of room to improve off his last start and is ready to take on N1X company.

THORO-GRAPH

CHANDIGARH took a step forward in his last start, going from a 70 to a 78 Beyer and a 10² to a 9³ Thoro-Graph

LOOKING AHEAD

Chandigarh is first-level allowance eligible and has run at the 1 1/16m and 1 mile distance on the turf, there are plenty of options for him to go next and there will be more options once the condition books become available
