- **SPEAK EASY romped in his debut** to earn a **100 Beyer**, **7+ Ragozin**, and was dubbed a **TDN Rising Star** for his effort while **defeating future G3W Batten Down** and **SW Corporate Power**.
- Entered in the G2 Fountain of Youth, **SPEAK EASY** was scratched in the post-parade after he got loose. He **came back to win a N1X at Saratoga impressively**.
- **SPEAK EASY missed the break in his most recent start** at KEE on 4/12 but **rallied to get up for 3rd**. His next effort will be 3rd off of the layoff and one would figure him to **take a step forward across the board on speed figures**.

WVMSGPTAP

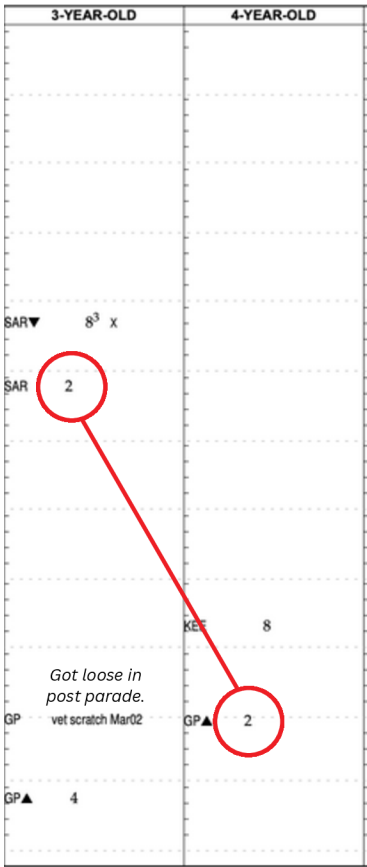

» SPEAK EASY earned a massive **7+ Ragozin** on debut going **7-furlongs on the dirt**. This is an EXTREMELY strong figure for a 3-year-old colt early in the season.

▶ This Ragozin figure is similar to what fellow Todd Pletcher-trainee **MINDFRAME** earned when **breaking his maiden by 14-lengths**. MINDFRAME went on to be **MGSP** and returned this year as a 4yo to win the **G2 Gulfstream Park Mile**.

SPEED FIGURES

THORO-GRAPH

- SPEAK EASY earned his **lifetime best 2 Thoro-Graph** when winning an Alw-N1X at Saratoga as a 3-year-old. He **paired that figure in his 2025 debut** when running 2nd in an Alw-N2X at Gulfstream.
- He regressed on sheet figures in his last start due to missing the break and getting away slowly at the start. However he did run on well in the lane to get up for 3rd.
- One can figure that **SPEAK EASY should improve next out as it will be his 3rd start off of the layoff**. If he can run back to his top figures, he should be competitive enough to **win an Alw-N2X sprinting on the dirt** and could use that as a springboard to take a **step back up in to Stakes company down the road**.

LOOKING AHEAD

Based on what condition books are currently available, possible next starts for SPEAK EASY include but are not limited to the below possible spots.

Don't forget, the next Kentucky and Santa Anita condition books are not available yet!!
