➤ **CONSISTENT PERFORMER THIS YEAR:** Timing Difference has had a **great campaign this year**, hitting the board in each of his 3 starts while **steadily improving on speed figures**. He seems to have found his best stride around **1-turn on the dirt**.

➤ **ALW-N1X ELIGIBLE:** Last seen breaking his maiden for a \$75,000-tag on May 24th at the Belmont at Aqueduct meeting, TIMING DIFFERENCE could **head to Alw-N1X company next time out** and be competitive based on his speed figures.

➤ **X-RAY REPORT READS WELL:** Outside of some minor findings in his stifles, TIMING DIFFERENCE **x-rays well overall** and should be good to continue into training for his new connections.

SPEED FIGURES

► **FORWARD MOVING SHEET FIGURES:** TIMING DIFFERENCE has improved in each of his 3 starts this year. He showed a significant improvement on his Ragozin sheet last time out to run a lifetime best **9" RAGOZIN** and **6 THORO-GRAPH**. Despite breaking his maiden for the \$75,000 claiming price, these speed figures would be **competitive against Alw-N1X**.

LOOKING AHEAD

► As noted by his recent speed figures, TIMING DIFFERENCE could take a **step up into Alw-N1X company** to try to notch that condition. There is always the fall back to step back down to the claiming ranks against non-winners of 2 races lifetime.

It's also always key to keep in mind the lucrative **“Ship and Win” program offered during the Del Mar meet**. Dirt starters will receive a **\$5,000 starter bonus** for their first start and are eligible for an **additional 50% purse bonus for each consecutive start during the meet**.

Based on what condition books are currently available, possible next targets for TIMING DIFFERENCE could look like:

“SHIP & WIN”
\$5,000 STARTER GRANT +
50% PURSE BONUS!
