PRECOCIOUS 2YO: Debut Winner + Stakes Placed!

2x STAKES WINNER

- **PRECOCIOUS 2-YEAR-OLD:** PERFECT FIGURE was a **\$125,000 OBS March** purchase after she worked in a **blazing fast :9.4**. She backed up her purchase price with a **debut win sprinting 5-furlongs on the turf**.
- **STAKES PLACED:** After her debut win, PERFECT FIGURE was **pointing toward the \$1,000,000 UNTAPABLE STAKES at Kentucky Downs** but unfortunately did not draw in to the field. Instead, she headed to Presque Isle for the **PID Debutante Stakes going 6.5 furlongs**. She set the pace and started to tire, but **gamely held on for 2nd defeating future 2x Stakes Winner MRS. WORLDWIDE**.
- **LIFETIME BEST BEYER LAST OUT:** Last seen on June 15th at Churchill Downs, PERFECT FIGURE earned a **75 Beyer** for her **3rd place finish against Alw-N1X company**. She typically **breaks well, shows early speed**, and looks to be sitting **on the verge of an Alw-N1X win**, especially if she is able to **shorten up in distance to 5-furlongs**.

SPEED FIGURES

RAGOZIN

➤ PERFECT FIGURE appears to be **rounding back into form**, last running a **15- RAGOZIN** which is **getting back to her career-top 14+**.

She's **improved on both Beyer and Ragozin in her first 2 starts of this year** and one can expect her to continue to take another step forward with her **next start being her 3rd off the layoff**.

LOOKING AHEAD

➤ PERFECT FIGURE is shaping up to be an **EXCELLENT FILLY TO CAMPAIGN AT DEL MAR**. With her early speed, she seems like an ideal candidate to get back to sprinting over **5-furlongs** AND she is eligible for the **40% purse bonus to each of her starts on the turf at Del Mar this summer**.
