- NEW KING comes into the sale off of a **dominant 3-length Allowance win**. He was sent off as the **heavy favorite** and **lived up to the billing** taking the field wire to wire over the 6-furlongs.
- He earned his first **Stakes placing this year** in the Frank Whitely Stakes at Laurel over 7-furlongs where he earned a **90 Beyer** and **9+ Ragozin** and proved that he **can run to his top figures WITHOUT LASIX**.
- NEW KING has shown **great distance versatility** in each of his 3 lifetime wins. While he can normally be found up **close to the pace**, he's recorded wins on the dirt going **6-furlongs, 1-mile, and 1-1/16th miles** which opens up a huge number of possible starts for this son of **INTO MISCHIEF** moving forward.

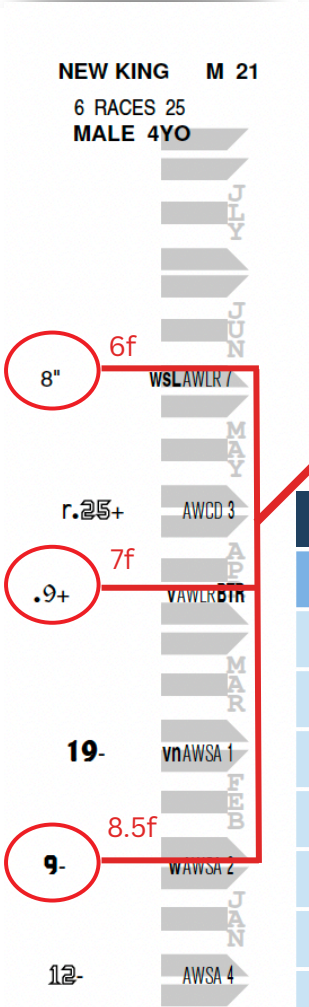

SPEED FIGURES

RAGOZIN

NEW KING ran his **lifetime best 8" Ragozin last time out** when sprinting 6-furlongs on the dirt. He has **run 2 other single digit Ragozins in his lifetime**: he earned a **9+ going 7-furlongs WITHOUT LASIX** and a **8 3/4 going 1-1/16th miles**.

All three of NEW KING's single digit Ragozin figures are competitive at the Stakes level and beyond at their respective distances!!

THORO-GRAPH

NEW KING earned a 3² Thoro-Graph in his 3+ length win over allowance company last time out.

► NEW KING's **Thoro-Graph** sheet lines up with his **Ragozin** sheet validating the legitimacy of his speed figures. He's **run two very solid 3² Thoro-Graph figures since April** and outside of the "toss out" effort over the sloppy track at Churchill when he ran back on short step, **NEW KING looks like he could take another step forward next time out.**

LOOKING AHEAD

With a **confidence boosting win** last time out under his belt, future connections for NEW KING could look to **try him back at the Stakes level anywhere from 6-furlongs to a 1-mile+**. Possible next starts based on what condition books are available include but are not limited to the following schedule.

ONE COULD ALSO LOOK TO TAKE THIS HORSE OVERSEAS AND RUN HIM DURING THE DUBAI AND SAUDI RACING CARNIVALS THIS COMING SEASON.
